This is one of the largest companies in the world, with the richest man in the world as the leader. They can afford to pay for their crimes. Come on, we're (the people of the US) counting on you to serve justice on the monopoly that Microsoft is. Don't let this arrogant monopoly get away with out a lesson. You and I both know that they will not change their ways if you don't really sock it to 'em. : )

Thanks,
